

Installation Contractor Opportunity

The Thomas Companies is expanding! We have numerous installation projects in your area and want to partner with you and bring you new business.

We are an industrial storage solutions company with over 30 years of experience. Our projects range from installation of: modular mezzanines, pallet rack systems, carton flow, modular in-plant offices, mobile aisle systems, and lockers. **We are looking to partner with installers nationwide!**

- Projects matched to your installation expertise
- You choose your preferred region
- You set your own schedule
- Profitable projects
- We bring you a bonfire of orders to consider!

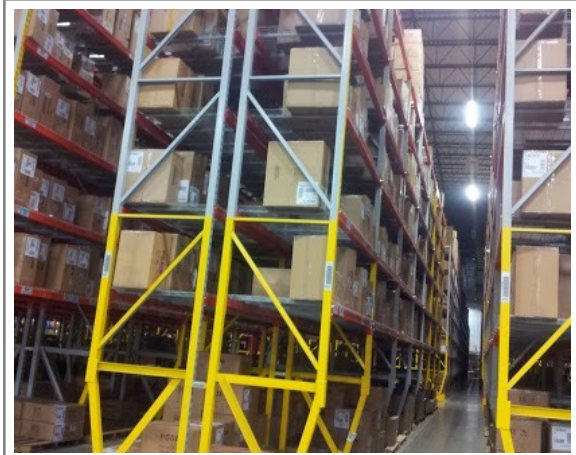

With each project offer, you will be sent details with the firm "sold price." You accept each project based upon firm payment terms.
